On the 1st floor, we have the 4 bedrooms and a full bathroom with bathtub. The basement is a large space, with a wine cellar and has the possibility of making a kitchen. Access is through the outdoor patio, where it also has a bathroom, a garage space, a car and a wood-fired bread oven.

All rooms are large and have plenty of natural light, given the good sun disposition.

The property needs updating works and given the modern architectural lines, it has great potential.

It is well located, with good access to Lisbon and other directions. In the surrounding area, you will find all kinds of shops, services, schools and transport as well as the advantage of being just 5 minutes away from the accesses that allow you to quickly reach the centre of Lisbon, Sintra or Cascais (IC19, 2nd Circular, A5, CRIL, CREL)

The quiet and familiar area is just minutes away from shopping areas, schools and reference services: C.C. Alegro, IKEA, Decathlon, PARK International School, and numerous restaurants, among others.

Practically all supermarkets within walking distance: Continente, ALDI, LIDL, Pingo Doce.

I believe that this could be the perfect home for you, with everything you have always imagined. I'm waiting for your visit!
